## QUALITY CONTROL & ASSURANCE

To ensure our merchandise is meeting our customers' Expectations across the entire production line.

- All patterns are checked against master patterns for accuracy to conform to the customer specifications.
- Where applicable, size sets are produced before production.
- Materials inspected.
- Pre-production and critical path meetings are carried out for all order.
- All garments pieces are numbered for colour continuity & colour shading.
- Every garment is inspected in the sewing line.
- All garments are checked by metal detector machines.
- All safety instruments are provided to workers to avoid accidents.
- We restrict access to the finishing area to approved employees only.
- We maintain rejection reports & keep separate rejected garments from approved bulk.

## **DESIGN & DEVELOPMENT**

Satkhira Sports & Fashion Wear International. understand the requirement of moving with constantly changing fashion trends and can therefore adapt to the needs of clients. This keeps Satkhira one step ahead of other textile manufacturers in Bangladesh.
